SAYEM GROUP CONCERNS

ABOUT

Sayem Group is dedicated to delivering complete customer satisfaction through the production of high-quality sweaters and knitwear at competitive prices, with a strong commitment to on-schedule delivery and exceptional service. Our group comprises three key units: Sayem Fashions Ltd., Radiant Sweater Industries Ltd., and Merchant Bay Ltd.

Since 1999, Sayem Group has earned a reputation as a trusted manufacturer of pullovers, cardigans, sweaters, jumpers, vests, scarves, and woolen caps for men, women, and children. We cater to both basic and fashionable, fancy requirements, ensuring that we meet the diverse needs of our valued customers.

Our factory is run by experienced workers and is known for its low employee turnover rate and high employee satisfaction. We prioritize the well-being of our employees, providing around-the-clock resources and facilities, including a full-time doctor, medication services, child daycare, and other essential benefits.

In addition, we maintain rigorous fire safety measures, with regular fire drills and specialized teams dedicated to ensuring the safety and security of our workforce. Sayem Group is committed to not only meeting but exceeding the expectations of our customers and partners.

MANAGING DIRECTORS WORD

“From the beginning of the company to the very present, the consistent motto and objective is to work with sincerity and manage growth effectively. Giving employment to people and serving the society has always been the core value and motive for expanding business. We take care of the production in our establishment standing in our own land at kamarjuri, National University, Joydevpur, Gazipur. We never believe in giving sub-contract hence, we can keep our commitment of quality and lead time. We also have always taken care of our employees and labor in terms of safety, benefits and hence invested in to stay compliant. This year we plan to bring more machinery in the RMG units and also looking forward to enter new industries to create employment and increase the contribution to the society. We survived strongly during the difficult covid time and have resumed with proper precautions to maintain safety

Md Monir Hossain
Managing Director

DIRECTORS WORD

Abrar H Sayem
Director

It all started out of passion and a vision in 1999 and since 2014 it became my core duty to leverage the business into further heights with only one motto, “Efficient and Uncompromising Service to our Customers”. Completing my Masters in International business and a diploma in Fashion and Merchandising I stepped in the scenario of this business in 2014 and since then we have focused a lot in Research, Design and Development to serve synergic services to our customers and also bring full efficiency to meet their demands. Successfully we have maintained our core value of on time shipment even under immense pressure, yet keeping our staff and workers highly motivated to love their work and workplace. Currently, we are working on the mission to make business of manufacturing come with even more to it, where we can deliver our customer updated design collection development, fast sampling and a faster lead time for gaining market competitive advantage.

ABOUT MERCHANT BAY

Established 2020
Launched Design Lab 2023

www.merchantbay.com

MERCHANTBAY

Merchant Bay is a fashion manufacturing platform that leverages technology to help buyers create collections and manufacture products with approved suppliers, all while managing the supply chain digitally. The core USP lies in collaboration with global designers and in house design lab to co-create great products at most competitive price.

Launched in 2020 by Sayem Group, a seasoned manufacturer producing 3.6 million sweaters annually for global brands, Merchant Bay blends design expertise with modern tech. Sayem Group, founded in 1999, brings decades of experience to this innovative platform.
